

Flight Trays from KeyAir

High Quality - Durable - Quick and Easy to use - Storable

Call 0208 756 0500

Made from Heat Treated Pine and with a base of 9mm Ply, the flight trays comply with ISPM15, the International Standard for wood packaging. The corners are reinforced with Zintec for added protection. Coffins and Caskets can now be packed in under two minutes due to the sturdy quick release clips and pre-cut cardboard covers.

Product Code	Weight	Dimensions Internal	Dimensions External	Dimensions Flat packed for storage
